SHOWN. Two-Panel Rustic Door with Ornamental Clavos.

Ornamental Clavos Options

Historically, doors to many European, Southwestern and Spanish homes were constructed using round or square nails, called clavos. Today, you can recreate the look by ordering your Peachtree door with optional 1-1/4" or 1-1/2" decorative clavos accessories. Made of metal, they are the perfect detail for adding authenticity and character.

Round Clavos 1-1/2" Square Clavos 1-1/2" Round Clavos 1-1/4" Square Clavos 1-1/4"
